Provides:

P-50 wraparound Services:

The Provider -50 Program services children and adolescents in Luzerne County. We offer Behavioral Specialist (BSC), Mobile Therapy (MT), Therapeutic Staff Support (TSS). These services are community based and provided directly in the client's home.

After School Program:

This program is a therapeutic service that is designed for elementary and middle school children in need of emotional/behavioral support. This program runs after school for 3 hours a day, 5 days a week.

Partial Hospitalization Program:

This is a school based program that services elementary, middle school, and high school children in need of mental health services.

Summer Therapeutic Activities Program

A therapeutic camp for children and adolescents with behavioral, emotional, or autistic support needs.
